
SUMMARY

Passionate software developer with 4+ years of experience specializing in web development. Tech lead experienced in delivering impactful projects for diverse clients, focused on quality. Quick learner and self-starter, passionate about building products that solve real world problems. Active open-source contributor, committed to empowering the community by sharing knowledge.

EXPERIENCE

Tech Lead, Incubyte | Jun 2021 – Present **Remote**

- Led projects in Ruby on Rails and JavaScript for US healthcare clients, focusing on MVPs and key features.
- Delivered DevEx improvements, identifying and solving team blockers for optimal performance.
- Created developer tools and automated workflows to enhance productivity and best practices.
- Built team rapport and fostered an inclusive, collaborative work environment.
- Key skills: API Design, Data Modeling, CI/CD, Dev Tooling, Globalization, Accessibility, Mentoring

Project Engineer, Wipro | Sep 2020 – Jun 2021 **Remote**

- Enhanced legacy systems with foreign currency support and SAP Crystal integration for a LATAM client.
- Built a custom UI framework in Java Swing to accelerate development on legacy modules.
- Automated deployments to QA and Production environments using Python and Bash scripts.

SDE Intern, Edifixio | Dec 2018 – Jan 2019 **Kolkata, India**

- Built an Android app for real-time IoT data monitoring via Bluetooth, deployed on AWS Lambda.
- Ensured reliability and efficiency, optimizing performance in data processing.

ACTIVITIES

Open Source Maintainer | Nov 2018 – Present **GitHub**

- Published 240+ repositories, covering developer tooling, web apps, plugins and tutorials.
- Earned 2,200+ stars, reflecting strong engagement and impact across the open-source community.
- Maintain popular projects, implementing features and updates driven by community feedback.

YouTube | Jun 2020 – Present **Channel**

- Create videos on dev tooling and software development, sharing insights with the community.

Conference Speaker | Apr 2022 – Present **Various**

- Spoke at NeovimConf and VimConf, led internal learning sessions, attended GIDS multiple times.

Mentors Without Borders | Mar 2020 – Present **Remote**

- Volunteer as a mentor, teaching web development and guiding students toward tech careers.
